

Brainstorm!

Work with a partner. Make a list of other ways you can help a friend with autism. List as many ways as you can think of.

Possible Answers Might Include...

Read them a book

Help with directions

Talk to them

If they seem frustrated, ask them what's wrong.

Ask them how they feel today.

If they get "off the topic", help them get back!

If they seem distracted, point to what they should be doing.

Ask them to join in a game.
